Index to Volume 21: Subject

Anesthesia
More evidence against the routine use of epidurals (MacArthur) 172 (In the literature)
Animal studies
A time to be born: implications of animal studies in maternal-fetal medicine (Nathanielsz) 163
Anxiety
The psychological effects of counting fetal movements (Liston et al) 135
Australia
Satisfaction with care in labor and birth: a survey of 790 Australian women (Brown and Lumley) 4

Baby-friendly hospital
A lesson from Eastern Europe (Harrison and Klaus) 45 (Commentary)
The mother-infant unit at Tallinn Children's Hospital, Estonia: a truly baby-friendly unit (Levin) 39
Baby-friendly hospital initiative
Letters 118, 235
Birth
Female genital mutilation and childbirth: a case report (McCleary) 221
Labor experiences of childhood sexual abuse survivors (Rhodes and Hutchinson) 213
Licensed midwife-attended, out-of-hospital births in Washington state: are they safe? (Janssen et al) 141
Satisfaction with care in labor and birth: a survey of 790 Australian women (Brown and Lumley) 4
Sheila Kitzinger's letter from England: home birth—a call for action (Kitzinger) 47
Birthweight
Don't ignore weight gain during pregnancy (Taffel et al) 229 (In the literature)
Bonding
A lesson from Eastern Europe (Harrison and Klaus) 45 (Commentary)
The mother-infant unit at Tallinn Children's Hospital, Estonia: a truly baby-friendly unit (Levin) 39
Breastfeeding
Breastfeeding preterm twins: a case report (Biancuzzo) 96
Infant formula distribution and advertising in pregnancy: a hospital survey (Howard et al) 14
Letters 179
The time has come to reassess delivery room routines (Kennell) 49 (In the literature)
Women's experiences with breastfeeding longer than 12 months (Hills-Bonczyk et al) 206

Cesarean section
The cesarean section rate in Sweden: the end of the rise (Nielsen et al) 34
Cesarean section rates in teaching hospitals: a national survey (Sanchez-Ramos et al) 194
A comparison of outcomes between joint and physician-only obstetric practices (Schimmel et al) 197
Child abuse, sexual
Labor experiences of childhood sexual abuse survivors (Rhodes and Hutchinson) 213
Commentaries
Female genital mutilation: perspectives from a Somalian midwife (Omer-Hashi) 224
A lesson from Eastern Europe (Harrison and Klaus) 45
Community action; *see* **Social action**

Delivery room
The time has come to reassess delivery room routines (Kennell) 49 (In the literature)
Depression
Postpartum depression: how much do obstetric nurses and obstetricians know? (Lepper et al) 149

Editorials
Family physicians and maternity care: high tech or high touch? (Young) 191
Using research plus community action to change maternal health policy (Young) 2
Egg; *see* **Ovum**
Electronic monitoring
Clinical issues in electronic fetal monitoring (Albers) 108 (Roundtable)
Electronic fetal heart rate monitoring during labor: information from randomized trials (Neilson) 101 (Roundtable)
Electronic fetal monitoring in the United Kingdom (Spencer) 106 (Roundtable)
Electronic fetal monitoring in the United States (Flamm) 105 (Roundtable)
Electronic monitoring: who needs a Trojan horse? (Keirse) 111 (In the literature)
Letters 235
Endocrine glands
A time to be born: implications of animal studies in maternal-fetal medicine (Nathanielsz) 163
England
Sheila Kitzinger's letter from England: home birth—a call for action (Kitzinger) 47
Sheila Kitzinger's letter from England: prison babies (Kitzinger) 170
Epidural anesthesia
More evidence against the routine use of epidurals (MacArthur) 172 (In the literature)
Estonia
A lesson from Eastern Europe (Harrison and Klaus) 45 (Commentary)
The mother-infant unit at Tallinn Children's Hospital, Estonia: a truly baby-friendly unit (Levin) 39
Exercise
Exercise and pregnancy: a review (Bell and O'Neill) 85

Family physicians
Family physicians and maternity care: high tech or high touch? (Young) 191 (Editorial)
Female genital mutilation
Female genital mutilation: perspectives from a Somalian midwife (Omer-Hashi) 224 (Commentary)
Female genital mutilation and childbirth: a case report (McCleary) 221
Fetal brain
A time to be born: implications of animal studies in maternal-fetal medicine (Nathanielsz) 163
Fetal death
Miscarriage: a historical perspective (Kuller and Katz) 227
The psychological effects of counting fetal movements (Liston et al) 135
Fetal heart rate; *see* **Heart rate, fetal**
Fetal heart rate monitoring; *see* **Electronic monitoring**
Fetal movement
The psychological effects of counting fetal movements (Liston et al) 135

Health policies
Using research plus community action to change maternal health policy (Young) 2 (Editorial)
Health status
Health status and timing of onset of prenatal care: is there an association among low-income women(Enderlein et al) 71
Heart
Exercise and pregnancy: a review (Bell and O'Neill) 85
Heart rate, fetal
Clinical issues in electronic fetal monitoring (Albers) 108 (Roundtable)
Electronic fetal heart rate monitoring during labor: information from randomized trials (Neilson) 101 (Roundtable)
Electronic fetal monitoring in the United Kingdom (Spencer) 106 (Roundtable)
Electronic fetal monitoring in the United States (Flamm) 105 (Roundtable)
Electronic monitoring: who needs a Trojan horse? (Keirse) 111 (In the literature)
Historical article
Miscarriage: a historical perspective (Kuller and Katz) 227

A time to be born: implications of animal studies in maternal-fetal medicine (Nathanielsz) 163
Letters
Letters 118, 179, 235
Low-income; *see* **Poverty**

Massage
Prevention of perineal trauma by perineal massage during pregnancy: a pilot study (Labrecque et al) 20
Maternal mortality
Risk in pregnancy: the reality, the perception, and the concept (Enkin) 131
Maternity care; *see* **Prenatal care**
Midwifery
Controversies in maternity care: where do physicians, nurses, and midwives stand? (Blais et al) 63
Letters 179
Licensed midwife-attended, out-of-hospital births in Washington state: are they safe? (Janssen et al) 141
A comparison of outcomes between joint and physician-only obstetric practices (Schimmel et al) 197
Miscarriage
Miscarriage: a historical perspective (Kuller and Katz) 227
Mother-infant relations
A lesson from Eastern Europe (Harrison and Klaus) 45 (Commentary)
The mother-infant unit at Tallinn Children's Hospital, Estonia: a truly baby-friendly unit (Levin) 39
Sheila Kitzinger's letter from England: prison babies (Kitzinger) 170
Women's experiences with breastfeeding longer than 12 months (Hills-Bonczyk et al) 206

Newton, Niles
Niles Newton: a tribute (Lawrence) 1
Nurses
Controversies in maternity care: where do physicians, nurses, and midwives stand? (Blais et al) 63
Postpartum depression: how much do obstetric nurses and obstetricians know? (Lepper et al) 149

Obstetricians
A comparison of outcomes between joint and physician-only obstetric practices (Schimmel et al) 197
Controversies in maternity care: where do physicians, nurses, and midwives stand? (Blais et al) 63
Postpartum depression: how much do obstetric nurses and obstetricians know? (Lepper et al) 149
Ovum
What makes a mother? interviews with women involved in egg donation and surrogacy (Snowdon) 77

Patient satisfaction
Satisfaction with care in labor and birth: a survey of 790 Australian women (Brown and Lumley) 4
Self-esteem, social support, and satisfaction differences in women with adequate and inadequate prenatal care (Higgins et al) 26
Using research plus community action to change maternal health policy (Young) 2 (Editorial)
Perinatal mortality; *see* **Infant mortality**
Perineum
Prevention of perineal trauma by perineal massage during pregnancy: a pilot study (Labrecque et al) 20
Physicians; *see also* **Obstetricians**
Family physicians and maternity care: high tech or high touch? (Young) 191 (Editorial)
Postpartum period
Postpartum depression: how much do obstetric nurses and obstetricians know? (Lepper et al) 149
Poverty
Health status and timing of onset of prenatal care: is there an association among low-income women? (Enderlein et al) 71
Smoking among low-income, pregnant women: prevalence rates, cessation interventions, and clinical implications (Albrecht et al) 155
Pregnancy
Controversies in maternity care: where do physicians, nurses, and midwives stand? (Blais et al) 63
Don't ignore weight gain during pregnancy (Taffel et al) 229 (In the literature)
Exercise and pregnancy: a review (Bell and O'Neill) 85

Risk in pregnancy: the reality, the perception, and the concept (Enkin) 131
Smoking among low-income, pregnant women: prevalence rates, cessation interventions, and clinical implications (Albrecht et al) 155
Prenatal care
Controversies in maternity care: where do physicians, nurses, and midwives stand? (Blais et al) 63
Family physicians and maternity care: high tech or high touch? (Young) 191 (Editorial)
Health status and timing of onset of prenatal care: is there an association among low-income women? (Enderlein et al) 71
Self-esteem, social support, and satisfaction differences in women with adequate and inadequate prenatal care (Higgins et al) 26
Preterm infant; *see* **Infant, premature**
Prison
Sheila Kitzinger's letter from England: prison babies (Kitzinger) 170

Research
Using research plus community action to change maternal health policy (Young) 2 (Editorial)
Risk factors
Risk in pregnancy: the reality, the perception, and the concept (Enkin) 131
Roundtable discussion
Clinical issues in electronic fetal monitoring (Albers) 108
Electronic fetal heart rate monitoring during labor: information from randomized trials (Neilson) 101
Electronic fetal monitoring in the United Kingdom (Spencer) 106
Electronic fetal monitoring in the United States (Flamm) 105

Satisfaction with care; *see* **Patient satisfaction**

Self-esteem
Self-esteem, social support, and satisfaction differences in women with adequate and inadequate prenatal care (Higgins et al) 26

Sexual abuse, child; *see* **Child abuse, sexual**

Smoking
Smoking among low-income, pregnant women: prevalence rates, cessation interventions, and clinical implications (Albrecht et al) 155

Social action
Using research plus community action to change maternal health policy (Young) 2 (Editorial)

Social support
Self-esteem, social support, and satisfaction differences in women with adequate and inadequate prenatal care (Higgins et al) 26

Surrogate mother
What makes a mother? interviews with women involved in egg donation and surrogacy (Snowdon) 77

Sweden
The cesarean section rate in Sweden: the end of the rise (Nielsen et al) 34

Teaching hospitals; *see* **Hospitals**

Twins
Breastfeeding preterm twins: a case report (Biancuzzo) 96

United Kingdom
Electronic fetal monitoring in the United Kingdom (Spencer) 106 (Roundtable)

United States
Electronic fetal monitoring in the United States (Flamm) 105 (Roundtable)

Weight
Don't ignore weight gain during pregnancy (Taffel et al) 229 (In the literature)
